CAVU ECOMMERCE (AMER) LLC,

Defendant.

Civil Action No.: 2025CH06466

Hon. David B. Atkins

Calendar 16

**DECLARATION OF PHILIP L. FRAIETTA IN SUPPORT OF PLAINTIFF’S MOTION
FOR SERVICE AWARD AND ATTORNEYS’ FEES, COSTS, AND EXPENSES**

I, Philip L. Fraietta, hereby aver, pursuant to 735 ILCS 5/1-109, that I am fully competent to make this Declaration, that I have personal knowledge of all matters set forth herein unless otherwise indicated, and that I would testify to all such matters if called as a witness in this matter.

1. I am a Partner at Bursor & Fisher, P.A., counsel of record for Plaintiff in this action. I make this declaration in support of Plaintiff’s Motion for Service Award and Attorneys’ Fees, Costs, and Expenses, filed herewith.

2. I am a member in good standing of the Illinois, California, Michigan, New York and New Jersey Bars.

3. Attached hereto as **Exhibit 1** is a true and correct copy of the Parties’ Class Action Settlement and the exhibits attached hereto.

4. On or about January 29, 2025, Plaintiff sent Defendant a Notice and Demand for Corrective Action as required by California’s Consumers Legal Remedies Act (“CLRA”). The Notice advised Defendant that its additional “Service Charge” imposed on consumers at the end of their transaction violated California’s Honest Pricing Law and was unfair and unlawful under

California's Unfair Competition law.

5. During negotiations, the Parties exchanged informal discovery, including the amount of "Service Charges" that Defendant collected during the Class Period and the total number of Class Members. The Settlement Amount equates to 78% of the total Service Charges collected from July 1, 2024 to March 10, 2025. The total Class size is 60,231 individuals. The information exchanged would have been similar to the information exchanged in formal discovery. The information exchanged is relevant to damages and class certification. In my experience litigating similar "Junk Fee" cases, this represents an excellent settlement as it guarantees relief for Class Members while avoiding the time, expense, and unknowns that will come from litigating claims under California's relatively new Honest Pricing Law.

6. After exchanging this discovery, the Parties drafted and executed the Settlement Agreement and related documents.

7. On June 18, 2025, Plaintiff filed the operative Complaint in the Circuit Court of Cook County, Illinois County Department, Chancery Division, titled, *Marcotte v. CAVU ECOMMERCE (AMER) LLC*, Case No. 2025CH06466 (Cir. Ct. Cook Cnty.). The material allegations in the Complaint were that Defendant offered parking reservations options on its Websites at stated prices. However, on the checkout page, Defendant added a mandatory "Service Charge" that was never disclosed with the initially advertised prices for those reservations. Plaintiff alleged this practice violates California's Honest Pricing Law, Cal. Civ. Code § 1770(a)(29), and California's Unfair Competition Law, Cal. Bus. & Prof. Code § 17200, *et seq.* The Complaint seeks actual damages, restitution, disgorgement, and asks the Court to certify a class defined as "All California residents who made a reservation through airportparkingreservations.com or airportparking.com and paid a mandatory 'Service Charge' at checkout."

8. The resulting \$425,000 non-reversionary settlement provides extraordinary relief to members of the Settlement Class. Given that California’s Honest Pricing Law has only been in effect since July 1, 2024 and the case law is still developing, issues concerning what constitutes a “mandatory fee” and sufficient notice remain uncertain. Because of this uncertainty, this settlement provides extraordinary results. It guarantees recovery for Settlement Class Members who paid this “Service Charge.”

9. Pursuant to the terms of the Settlement, every Settlement Class Member will receive a *pro rata* payment equal to a percentage of the total amount of Service Charges they paid from July 1, 2024 to March 10, 2025. Payment will be made in either a check or electronic payment as selected by the Class Member.

10. Additionally, Defendant has agreed to not reinstate the Service Charge unless it clearly and conspicuously discloses it to the consumer with the advertised price for a reservation in the first instance or California’s Honest Pricing Law is amended, repealed, or otherwise invalidated.

11. A copy of the firm resume of Bursor & Fisher, P.A. is attached hereto as **Exhibit 2**. Bursor & Fisher, P.A. is well suited to continue to represent Plaintiff and Settlement Class in this matter. As noted, my firm has served as class counsel in another substantially similar Fees action, *Charles v. Color Factory, LLC*, 1:24-cv-00322-JSR, ECF No. 38, at 3 (“For purposes of settlement only: . . . (a) Philip L. Fraietta . . . of Bursor & Fisher, P.A, are appointed Class Counsel for the Settlement Class[.] The Court finds that these attorneys are competent and capable of exercising the responsibilities of Class Counsel[.]”).

12. Further, since December 2010, my firm has been court-appointed Class Counsel or Interim Class Counsel by numerous courts, including courts in Illinois. See **Exhibit 2**, p. 1-7.

13. In general, my firm has significant experience in litigating class actions of similar

size, scope, and complexity to the instant action. My firm has also been recognized by courts across the country for its expertise. *See also Ebin v. Kangadis Food Inc.*, 297 F.R.D. 561, 566 (S.D.N.Y. Feb. 25, 2014) (“Bursor & Fisher, P.A., are class action lawyers who have experience litigating consumer claims. ... The firm has been appointed class counsel in dozens of cases in both federal and state courts, and has won multimillion dollar verdicts or recoveries in five class action jury trials since 2008.”).

14. The Parties agreed to the terms of the Settlement through experienced counsel who possessed all the information necessary to evaluate the case, determine all the contours of the proposed class, and reached a fair and reasonable compromise after negotiating the terms of the Settlement at arm’s-length.

15. Plaintiff and Class Counsel recognize that despite our belief in the strength of Plaintiff’s claims, and Plaintiff’s and the Class’s ability to ultimately secure a favorable judgment at trial, the expense, duration, and complexity of protracted litigation would be substantial and the outcome of trial uncertain. This is especially true given the still-developing case law underwriting threshold defenses Defendant intended to raise.

16. Plaintiff and Class Counsel are also mindful that absent a settlement, the success of Defendant’s various defenses in this case could deprive Plaintiff and the Settlement Class Members of any potential relief whatsoever. Defendant is represented by highly experienced attorneys who have made clear that absent a settlement, they were prepared to continue their vigorous defense of this case, including by moving for summary judgment after discovery. Plaintiff and Class Counsel are also aware that Defendant would continue to challenge liability, as well as assert a number of defenses, including but not limited to whether the Service Charge is one prohibited by the statute and whether Defendant’s Websites provided adequate notice of the Service Charge before Plaintiff and Settlement Class Members paid it.

17. Looking beyond trial, Plaintiff is also keenly aware that Defendant could appeal the merits of any adverse decision, including seeking to decertify a class.

18. Plaintiff and Class Counsel believe that the relief provided by the settlement weighs heavily in favor of a finding that the settlement is fair, reasonable, and adequate, and well within the range of approval.

19. On August 26, 2025, the Court preliminarily approved the Settlement. A true and correct copy of the Court's Order is attached hereto as **Exhibit 3**.

20. Since the Court preliminarily approved the Settlement, my firm has worked with the Settlement Administrator, Epiq, to carry out the Court-ordered notice plan. Specifically, my firm helped compile and review the contents of the class notices, reviewed and tested the settlement website before it launched, and is monitoring the claiming process. My firm also worked with Defendant and Epiq to secure the class list and effectuate notice.

21. Since class notice has disseminated, my firm has continued to work closely with Epiq to monitor settlement administration and any other issues that may arise.

22. My firm undertook this litigation on a contingency basis, despite knowing the litigation risks and prospects of no recovery.

23. My firm has incurred \$257.22 in expenses prosecuting this matter.

24. As set forth above, my firm has devoted (and continues to devote) a significant amount of attorney time and other resources investigating, prosecuting and resolving this litigation and, as a result, has been forced to forego other new matters that we otherwise would have taken on.

25. I am of the opinion that Plaintiff's active involvement in this case was critical to its ultimate resolution. She took his role as class representative seriously, devoting significant amounts of time and effort to protecting the interests of the class. Without her willingness to

assume the risks and responsibilities of serving as class representative, I do not believe such a strong result could have been achieved.

26. Plaintiff equipped Class Counsel with critical details regarding her experience using one of Defendant's Websites, supplying supporting documentation, reviewing the complaint and being involved in the settlement process.

27. In short, Plaintiff assisted Class Counsel in pursuing this action on behalf of the class, and her involvement in this case is nothing short of essential.

I declare under penalty of perjury that the above and foregoing is true and accurate.
Executed this 23rd day of October, 2025 at White Plains, New York.

Plaintiff,

v.

CAVU ECOMMERCE (AMER) LLC,

Defendant.

Case No. 2025CH06466

CLASS ACTION SETTLEMENT AGREEMENT

This Agreement (“Agreement” or “Settlement Agreement”) is entered into by and among (i) Plaintiff Shayla Marcotte (“Plaintiff”); (ii) the Settlement Class (as defined herein); and (iii) Defendant, CAVU eCommerce (AMER) LLC (“Defendant” or “CAVU”). The Settlement Class and Plaintiff are collectively referred to as the “Plaintiffs” unless otherwise noted. The Plaintiff and CAVU are collectively referred to herein as the “Parties.” This Agreement is intended by the Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as defined herein), upon and subject to the terms and conditions of this Agreement, and subject to the final approval of the Court.

RECITALS

A. On January 29, 2025, Plaintiff sent Defendant a Demand for Corrective Action (“Demand”) asserting claims against Defendant. The Demand alleged that CAVU charged a mandatory “Service Charge” on its Websites without including it in the initially advertised prices of its services. Plaintiff alleged this pricing scheme violates (1) Honest Pricing Law, Cal. Civ. Code § 1770(a)(29)(A) and (2) California’s Unfair Competition Law (“UCL”), Cal. Bus. & Prof. Code §§ 17200, *et seq.*

B. Shortly upon receipt of the Demand, the Parties engaged in good-faith settlement negotiations, and, on June 2, 2025, reached an agreement on all material terms of a class action settlement.

C. On June 18, 2025, Plaintiff filed a putative class action in the Circuit Court of Cook County, Illinois making the same allegations as in the Demand.

D. At all times, CAVU has denied, and continues to deny, any wrongdoing whatsoever, denies that it committed, or threatened or attempted to commit, any wrongful act or violation of law or duty alleged in the Action, and denies that certification of a litigation class is necessary or proper. Accordingly, any references to the alleged business practices of CAVU in this Agreement, any settlement document, or the related Court hearings and processes will raise no inference with respect to the propriety of those business practices or any other business practices of CAVU. Nonetheless, taking into account the uncertainty and risks inherent in any litigation and the desire to avoid the expenditure of further legal fees and costs, CAVU has concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement to avoid further expense, inconvenience, and burden. This Agreement is a compromise, and the Agreement, any related documents, and any negotiations resulting in it shall not be construed as, or deemed to be, evidence of or an admission or concession of liability or wrongdoing on the part of CAVU, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever or with respect to the certifiability of a litigation class.

E. Plaintiff believes that the claims asserted in the Action against CAVU have merit and that she would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiff and Class Counsel recognize that CAVU has raised factual and legal defenses that present a risk that Plaintiff may not prevail. Plaintiff and Class Counsel also recognize the expense and delay

associated with continued prosecution of the Action against CAVU through class certification, summary judgment, trial, and any subsequent appeals. Plaintiff and Class Counsel also have taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiff believes it is desirable that the Released Claims, as further defined herein, be fully and finally compromised, settled, and resolved with prejudice. Based on its evaluation, Class Counsel has concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

F. CAVU maintains that it has meritorious defenses to the claims asserted in this action, and that CAVU would prevail in this matter on summary judgment or at trial. CAVU denies any wrongdoing and any liability to Plaintiff and the Settlement Class whatsoever. CAVU also denies that class certification is warranted or appropriate. Nevertheless, CAVU recognizes the risks and uncertainties inherent in litigation, the significant expense associated with defending class actions, the costs of any appeals, and the disruption to business operations arising out of class action litigation. CAVU also recognizes the risks that a trial on class-wide claims might present. Accordingly, CAVU believes that the Settlement set forth in the Agreement is likewise in the best interests of all parties involved.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiff, the Settlement Class, and CAVU, by and through its undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled,

and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

The Settlement Fund represents the total extent of CAVU’s monetary obligations under this Agreement. The payment of the Settlement Amount by CAVU fully discharges CAVU and the other Released Parties’ financial obligations (if any) in connection with the Settlement, meaning that no Released Party shall have any other obligation to make any payment to any Class Member, or any other Person, under this Agreement.

1.39 “Unknown Claims” means claims that could have been raised in the Action and that any or all of the Releasing Parties do not know or suspect to exist, which, if known by him or her, might affect his or her agreement to release the Released Parties or the Released Claims or might affect his or her decision to agree, object or not to object to the Settlement. Upon the Effective Date, the Releasing Parties shall be deemed to have, and shall have, expressly waived and relinquished, to the fullest extent permitted by law, the provisions, rights and benefits of § 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT A CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO

EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Upon the Effective Date, the Releasing Parties also shall be deemed to have, and shall have, waived any and all provisions, rights and benefits conferred by any law of any state or territory of the United States, or principle of common law, or the law of any jurisdiction outside of the United States, which is similar, comparable or equivalent to § 1542 of the California Civil Code. The Releasing Parties acknowledge that they may discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of this release, but that it is their intention to finally and forever settle and release the Released Claims, notwithstanding any Unknown Claims that they may have, as that term is defined in this Paragraph.

1.40 “Websites” means airportparkingreservations.com and/or airportparking.com.

2. SETTLEMENT RELIEF.

2.1 Payments to Settlement Class Members.

(a) Within twenty-eight (28) business days after entry of the Preliminary Approval Order, CAVU shall pay into the Escrow Account the Settlement Amount.

(b) Settlement Class Members shall have until the Claims Deadline to submit an Approved Claim. Each Settlement Class Member with an Approved Claim shall be entitled to receive as a Cash Award a pro rata payment from the Settlement Fund. The pro rata payment for each Settlement Class Member will be equal to that Settlement Class Member’s Out-of-Pocket Percentage multiplied by the Available Settlement Fund.

(c) The Settlement Administrator shall pay from the Settlement Fund all Cash Awards to those Settlement Class Members with Approved Claims by check or electronic payment, at the Settlement Class Member’s election. Payments of Cash Awards to all Settlement

Class Members with Approved Claims shall be made within twenty-eight (28) days after the Claims Deadline.

(d) To the extent that any Settlement Class Members do not claim their Cash Awards within one-hundred-eighty (180) days after Cash Awards are distributed in accordance with Section 2.1(b), such Settlement Class Members shall have waived their right to a Cash Award and any unclaimed funds will revert to the Greater Chicago Legal Clinic, a 501(c)(3) entity, as *cy pres*.

(e) Subject to the provisions pertaining to the termination or cancellation of the Settlement, as set forth in Paragraph 9, no portion of the Settlement Fund shall revert back to CAVU.

2.2 Prospective Relief. CAVU represents that it will clearly and conspicuously disclose Service Charges to the consumer with the advertised price presented to a consumer in the first instance, unless and until California's Honest Pricing Law, Cal. Civ. Code § 1770(a)(29)(A), is amended, repealed, or otherwise invalidated.

3. RELEASE.

3.1 The obligations incurred pursuant to this Settlement Agreement shall be a full and final disposition of the Action and any and all Released Claims, as against all Released Parties.

3.2 Upon the Effective Date, the Releasing Parties, and each of them, shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims against the Released Parties, and each of them.

4. NOTICE TO THE CLASS.

4.1 The Notice Plan shall consist of the following:

(a) *Settlement Class List.* No later than 28 days after the full execution of this Settlement Agreement, CAVU shall produce an electronic list from its records that includes

the names and last known e-mail and postal addresses, and the total amount of Out-of-Pocket Fees paid by each Settlement Class Member, to the extent available, belonging to Persons within the Settlement Class. This electronic document shall be called the “Class List.”.

(b) *Direct Notice via Email.* No later than twenty-eight (28) days after entry of the Preliminary Approval Order, the Settlement Administrator shall send Notice via email substantially in the form attached as Exhibit B to all Settlement Class Members for whom a valid email address is in the Class List. In the event transmission of email notice results in any “bounce-backs,” the Settlement Administrator shall, if possible, correct any issues that may have caused the “bounce-back” to occur, including running a “skip-trace” to identify any potential alternative email addresses, and make a second attempt to re-send the email notice.

(c) *Reminder Notice.* Both thirty (30) days prior to the Claims Deadline and seven (7) days prior to the Claims Deadline, the Settlement Administrator shall send Notice via email substantially in the form attached as Exhibit B (with minor, non-material modifications to indicate that it is a reminder email rather than an initial notice), along with an electronic link to the Claim Form, to all Settlement Class Members for whom a valid email address is available in the Class List.

(d) *Settlement Website.* Within ten (10) days from entry of the Preliminary Approval Order, Notice shall be provided on a website at an available settlement URL (such as, for example, www.cavuservicechargesettlement.com) which shall be obtained, administered and maintained by the Settlement Administrator and shall provide Settlement Class Members with the ability to file Claim Forms online. Copies of this Settlement Agreement, the long-form Notice, and other pertinent documents and Court filings pertaining to the Settlement (including the motion for attorneys’ fees upon its filing), shall be provided on the Settlement Website. The

Notice provided on the Settlement Website shall be substantially in the form of Exhibit C hereto.

4.2 The Notice shall advise the Settlement Class of their rights, including the rights to be excluded from or object to the Settlement Agreement or any of its terms. The Notice shall specify that any objection to the Settlement Agreement, and any papers submitted in support of said objection, shall be considered by the Court at the Final Approval Hearing only if, on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice, the Person making the objection files notice of an intention to do so and at the same time (a) files copies of such papers he or she proposes to be submitted at the Final Approval Hearing with the Clerk of the Court, or alternatively, if the objection is from a Class Member represented by counsel, files any objection through the Court's electronic filing system, and (b) sends copies of such papers by mail, hand, or overnight delivery service to Class Counsel and CAVU's Counsel.

4.3 Any Settlement Class Member who intends to object to this Agreement must present the objection in writing, which must be personally signed by the objector, and must include: (1) the objector's full name, address and current telephone number; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the "Objecting Attorneys"); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court in accordance with the Local Rules).

4.4 If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received.

4.5 A Settlement Class Member may request to be excluded from the Settlement Class by sending a written request postmarked on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice. To exercise the right to be excluded, a member of the Settlement Class must timely send a written request for exclusion to the Settlement Administrator, and must include in any such exclusion request: (a) his/her full name, address, and current telephone number; (b) the case name and number of this Action; (c) a statement that he/she made a reservation through the Websites and paid a Service Charge at checkout; (d) all grounds for the request to be excluded, with factual and legal support for the stated request, including any supporting materials; (e) the identification of any other exclusion requests he/she has filed, or has had filed on his/her behalf, in any other class action cases in the last five years; and (f) the requestor's signature. If represented by counsel, the Settlement Class Member requesting to be excluded must also provide the name and telephone number of his/her counsel. A request to be excluded that does not include all of this information, or that is sent to an address other than that designated in the Notice, or that is not postmarked within the time specified, shall be invalid, and the Person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be

entitled to object to any aspect of this Agreement. Any request for exclusion must be personally signed by each Person requesting exclusion. So-called “mass” or “class” opt-outs shall not be allowed. To be valid, a request for exclusion must be submitted on the Settlement Website by 11:59 p.m., Central Time, on the date specified in the Notice, or be postmarked or received by the date specified in the Notice.

4.6 The Final Approval Hearing shall be no earlier than ninety (90) days after the Notice described in Paragraph 4.1(b) is provided.

4.7 Any Settlement Class Member who does not exclude himself or herself from the Settlement Agreement by the Objection/Exclusion Deadline or does not submit a valid claim form by the Claims Deadline shall be forever barred from receiving any distribution from the Settlement Fund and any other payment or benefits pursuant to the Settlement Agreement, but shall in all other respects be bound by the terms of the Settlement Agreement, and will be permanently barred and enjoined from bringing any action, claim or other proceeding of any kind concerning the Released Claims.

5. SETTLEMENT ADMINISTRATION.

5.1 The Settlement Administrator shall, under the supervision of the Court, administer the relief provided by this Settlement Agreement by processing Claim Forms in a rational, responsive, cost effective, and timely manner. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Agreement. The Settlement Administrator shall maintain all such records as are required by applicable law in accordance with its normal business practices and such records will be made available to Class Counsel and CAVU’s Counsel upon request. The Settlement Administrator shall also provide reports and other information to the Court as the Court may require. The Settlement Administrator shall provide Class Counsel and CAVU’s Counsel with regular reports at weekly intervals containing

information concerning Notice, administration, and implementation of the Settlement Agreement. Should the Court request, the Parties shall submit a timely report, prepared by Class Counsel and/or the Settlement Administrator and approved by CAVU, to the Court summarizing the work performed by the Settlement Administrator, including a report of all amounts from the Settlement Fund paid to Settlement Class Members on account of Approved Claims. Without limiting the foregoing, the Settlement Administrator shall:

(a) Upon request, forward to CAVU's Counsel, with copies to Class Counsel, all original documents and other materials received in connection with the administration of the Settlement, and all copies thereof, within thirty (30) days after the date on which all Claim Forms have been finally approved or disallowed in accordance with the terms of this Agreement;

(b) Provide Class Counsel and CAVU's Counsel with drafts of all administration related documents, including but not limited to Notices, follow-up class notices or communications with Settlement Class Members, telephone scripts in a form approved by Class Counsel and CAVU's Counsel, website postings or language or other communications in a form approved by Class Counsel and CAVU's Counsel with the Settlement Class, at least five (5) days before the Settlement Administrator is required to or intends to publish or use such communications, unless Class Counsel and CAVU's Counsel agree to waive this requirement in writing on a case by case basis;

(c) Receive requests to be excluded from the Settlement Class and other requests and promptly provide Class Counsel and CAVU's Counsel copies thereof. If the Settlement Administrator receives any exclusion forms or other requests after the deadline for the submission of such forms and requests, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and CAVU's Counsel;

(d) Provide weekly reports to Class Counsel and CAVU's Counsel, including without limitation, reports regarding the number of Claim Forms received, the number approved by the Settlement Administrator, and the categorization and description of Claim Forms rejected, in whole or in part, by the Settlement Administrator; and

(e) Make available for inspection by Class Counsel or CAVU's Counsel the Claim Forms received by the Settlement Administrator at any time upon reasonable notice.

5.2 The Settlement Administrator shall be obliged to employ reasonable procedures to screen claims for abuse or fraud and deny Claim Forms where there is evidence of abuse or fraud. The Settlement Administrator shall determine whether a Claim Form submitted by a Settlement Class Member is an Approved Claim by determining if the Person is on the Class List and shall reject Claim Forms that fail to (a) comply with the instructions on the Claim Form or the terms of this Agreement, or (b) provide full and complete information as requested on the Claim Form. If a Person submits a timely Claim Form by the Claims Deadline where the Person appears on the Class List but the Claim Form is not otherwise complete, then the Settlement Administrator shall give such Person one (1) reasonable opportunity to provide any requested missing information, which information must be received by the Settlement Administrator no later than twenty-one (21) calendar days after providing notice of the deficiency. If the Settlement Administrator receives such information more than twenty-one (21) calendar days after providing notice of the deficiency, then any such claim shall be denied. The Settlement Administrator may contact any Person who has submitted a Claim Form to obtain additional information necessary to verify the Claim Form.

5.3 CAVU's Counsel and Class Counsel shall have the right to challenge the acceptance or rejection of a Claim Form submitted by Settlement Class Members. The Settlement Administrator shall follow any agreed decisions of Class Counsel and CAVU's

Counsel as to the validity of any disputed submitted Claim Form. To the extent Class Counsel and CAVU's Counsel are not able to agree on the disposition of a challenge, the disputed claim shall be submitted to the Court for binding determination.

5.4 In the exercise of its duties outlined in this Agreement, the Settlement Administrator shall have the right to reasonably request additional information from the Parties or any Settlement Class Member.

5.5. CAVU, the Released Parties, and CAVU's Counsel shall have no responsibility for, interest in, or liability whatsoever with respect to: (i) any act, omission, or determination by Class Counsel, or the Claims Administrator, or any of their respective designees or agents, in connection with the administration of the settlement or otherwise; (ii) the management, investment, or distribution of the Settlement Fund; (iii) the allocation of net Settlement Funds to Settlement Class Members or the implementation, administration, calculation or interpretation thereof; (iv) the determination, administration, calculation, or payment of any claims asserted against the Settlement Fund; or (v) the payment, reporting, or withholding of any taxes, tax expenses, or costs incurred in connection with the taxation of the Settlement Fund or the filing of any federal, state, or local returns.

5.6. All taxes and tax expenses shall be paid out of the Settlement Fund, and shall be timely paid by the Settlement Administrator pursuant to this Agreement and without further order of the Court. Any tax returns or reporting forms prepared for the Settlement Fund (as well as the election set forth therein) shall be consistent with this Agreement and in all events shall reflect that all taxes on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided herein. The Released Parties shall have no responsibility or liability for the acts or omissions of the Settlement Administrator or its agents with respect to the reporting or payment of taxes or tax expenses.

6. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.

6.1 Promptly after the execution of this Settlement Agreement, Class Counsel shall submit this Agreement together with its Exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; conditional certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representative; and entry of a Preliminary Approval, which order shall set a Final Approval Hearing date and approve the Notice and Claim Form for dissemination substantially in the form of Exhibits A, B, and C hereto. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all Exhibits to this Agreement) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class or expand the obligations of CAVU.

6.2 At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the settlement of the Action as set forth herein.

6.3 After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve the Agreement, including all Exhibits thereto;

(b) approve the Settlement Agreement and the proposed settlement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate the Agreement according to its terms

and provisions; and declare the Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiffs and Releasing Parties;

(c) find that the Notice implemented pursuant to the Agreement

(1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Agreement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all persons entitled to receive notice; and (4) meets all applicable requirements of the Illinois Code of Civil Procedure, the Due Process Clause of the United States and Illinois Constitutions, and the rules of the Court;

(d) conditionally find that the prerequisites for a class action under ILCS 735

5/2-801 have been satisfied for settlement purposes for the Settlement Class in that: (1) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (2) there are questions of law and fact common to the Settlement Class Members; (3) the claims of the Class Representative are typical of the claims of the Settlement Class they seek to represent; (4) the Class Representative has and will continue to fairly and adequately represent the interests of the Settlement Class for purposes of entering into the Settlement Agreement; (5) the questions of law and fact common to Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; (6) the Settlement Class is ascertainable; and (7) a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

(e) dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in the Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the date of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose;

(i) close the case; and

(j) incorporate any other provisions, as the Court deems necessary and just, provided that such other provisions do not materially abridge, enlarge, or modify any rights or responsibilities of the Released Parties or Settlement Class Members under this Agreement.

6.4 The Parties agree to stay all proceedings in the Action, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement, until the Effective Date of the Settlement has occurred. The Parties also agree to use their best efforts to seek the stay and dismissal of, and to oppose entry of any interim or final relief in favor of any Settlement Class Member in, any other proceedings against any of the Released Parties which challenges the Settlement or otherwise asserts or involves, directly or indirectly, a Released Claim.

7. TERMINATION OF SETTLEMENT

7.1 Subject to Paragraphs 9.1-9.3 below, CAVU or the Class Representative on behalf of the Settlement Class, shall have the right but not the obligation to terminate this Agreement by providing written notice of the election to do so (“Termination Notice”) to all other Parties hereto within twenty-one (21) days of any of the following events: (i) the Court’s refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court’s refusal to grant final approval of this Agreement in any material respect; (iii) the Court’s refusal to enter the Final Judgment in this Action in any material respect; (iv) the date upon which the Final Judgment is modified or reversed in any material respect by an appellate court with jurisdiction; or (v) the date upon which an Alternate Judgment, as defined in Paragraph 9.1(d) of this Agreement is modified or reversed in any material respect by an appellate court with jurisdiction.

7.2 Confirmatory Discovery. CAVU represents that it has collected \$540,818.19 in Service Charges from California residents in connection with its online parking reservation marketplaces accessible through the Websites from July 1, 2024 to March 10, 2025. Defendant has executed an affidavit from an appropriate representative with knowledge attesting to the same prior to execution of this Settlement Agreement.

8. CLASS COUNSEL’S ATTORNEYS’ FEES AND REIMBURSEMENT OF EXPENSES; SERVICE AWARD.

8.1 CAVU agrees that Class Counsel shall be entitled to seek an award of attorneys’ fees and costs out of the Settlement Fund in an amount to be determined by the Court as the Fee Award. With no consideration given or received, Class Counsel will limit its petition for attorneys’ fees, costs, and expenses to no more than 35% of the Settlement Fund (i.e., \$148,750.00). Payment of the Fee Award shall be made from the Settlement Fund and should the Court award less than the amount sought by Class Counsel, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund.

8.2 The Fee Award shall be payable by the Settlement Administrator within ten (10) days after entry of the Court's Final Judgment, subject to Class Counsel executing the Undertaking Regarding Attorneys' Fees and Costs (the "Undertaking") attached hereto as Exhibit D, and providing all payment routing information and tax I.D. numbers for Class Counsel. Payment of the Fee Award shall be made from the Settlement Fund by wire transfer to Class Counsel in accordance with wire instructions to be provided by Class Counsel, and completion of necessary forms, including but not limited to W-9 forms. Notwithstanding the foregoing, if for any reason the Final Judgment is reversed or rendered void as a result of an appeal(s) then any Persons or firms who shall have received the funds shall be severally liable for payments made pursuant to this subparagraph, and shall return such funds to the Settlement Fund. Additionally, should any parties to the Undertaking dissolve, merge, declare bankruptcy, become insolvent, or cease to exist prior to the final payment to Class Members, those parties shall execute a new undertaking guaranteeing repayment of funds within fourteen (14) days of such an occurrence.

8.3 Class Counsel intends to file a motion for Court approval of a Service Award to the Class Representative, to be paid from the Settlement Fund, in addition to any funds the Class Representative stands to otherwise receive from the Settlement. With no consideration having been given or received for this limitation, Plaintiff will seek no more than \$5,000 as a Service Award. Should the Court award less than this amount, the difference in the amount sought and the amount ultimately awarded pursuant to this Paragraph shall remain in the Settlement Fund. Such Service Award shall be paid from the Settlement Fund (in the form of a check to the Class Representative that is sent care of Class Counsel), within five (5) business days after entry of the Final Judgment if there have been no objections to the Settlement Agreement, and, if there have been such objections, within five (5) business days after the Effective Date.

9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.

9.1 The Effective Date of this Settlement Agreement shall not occur until all of the following events occur, and shall be the date which falls ten (10) calendar days after the last (in time) of the following events:

- (a) The Parties and their counsel have executed this Agreement;
- (b) The Court has entered the Preliminary Approval Order;
- (c) The Court has entered an order finally approving the Agreement,

following Notice to the Settlement Class and a Final Approval Hearing, as provided in the Illinois Code of Civil Procedure, and has entered the Final Judgment, or a judgment consistent with this Agreement in all material respects; and

(d) The Final Judgment has become Final, as defined above, or, if the Court enters an Alternate Judgment, such Alternate Judgment becomes Final.

9.2 If some or all of the conditions specified in Paragraph 8.1 are not met, or if this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated unless Class Counsel and CAVU's Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the Settling Parties.

Notwithstanding anything herein, the Parties agree that the Court's failure to approve, in whole or in part, Class Counsel's request for payment of attorneys' fees, costs and/or expenses and/or the request for Service Award payments set forth in Paragraph 7 above shall not prevent the Agreement from becoming effective, nor shall it be grounds for termination.

9.3 If this Agreement is terminated or fails to become effective, including but not limited to, for the reasons set forth in Paragraphs 9.1-9.2 above, the Parties shall be restored to their respective positions in the Action as of the moment just prior to the signing of this Agreement and the Class Action Settlement Term Sheet entered into between CAVU and the Class Representative shall be cancelled, null, and void. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement and the Class Action Settlement Term Sheet had never been entered into. If the Final Settlement Order and Judgment or any part of it is vacated, overturned, reversed, or rendered void as a result of an appeal, or the Settlement Agreement is voided, rescinded, or otherwise terminated for any other reason, Class Counsel shall, within thirty (30) days, repay to CAVU, based upon written instructions provided by CAVU's Counsel, the full amount paid by CAVU into the Settlement Fund, including any accrued interest. If the Service Award or attorneys' fees and costs awarded by the Court or any part of them are vacated, modified, reversed, or rendered void as a result of an appeal, Class Counsel shall within thirty (30) days repay to CAVU, based upon written instructions provided by CAVU's Counsel, the attorneys' fees and costs paid to Class Counsel and/or Class Representative from the Settlement Fund, in the amount vacated or modified, including any accrued interest.

10. MISCELLANEOUS PROVISIONS.

10.1 The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through

any and all appeals. Class Counsel and CAVU's Counsel agree to cooperate with one another in seeking Court approval of the Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Agreement.

10.2 The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff, the Settlement Class and each or any of them, on the one hand, against the Released Parties, and each or any of the Released Parties, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by CAVU, or each or any of them, in bad faith or without a reasonable basis.

10.3 The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully the above and foregoing agreement and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

10.4 Whether or not the Effective Date occurs or the Settlement Agreement is terminated, neither this Agreement, the Class Action Settlement Term Sheet, or any other settlement document, nor the settlement contained herein or any term, provision or definition therein, nor any act or communication performed or document executed in the course of negotiating, implementing or seeking approval pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received in any civil, criminal or administrative proceeding in any court, administrative agency, arbitral proceeding or other tribunal against the Released Parties, or each or any of them, as an admission, concession

or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the definition or scope of any term or provision, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them. CAVU, while continuing to deny all allegations of wrongdoing and disclaiming all liability with respect to all claims, considers it desirable to resolve the action on the terms stated herein to avoid further expense, inconvenience, and burden, and therefore has determined that this settlement is in CAVU's best interests. Any public statements made by Plaintiff or Class Counsel will be consistent with this paragraph and Class Counsel will not issue any press release concerning this Agreement or the settlement contained herein;

(b) is, may be deemed, or shall be used, offered or received against any Released Party, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing or statutory meaning as against any Released Parties, or supporting the certification of a litigation class, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, the settlement, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement and/or Settlement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final

Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiff, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's or the Settlement Class's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

10.5 The Parties acknowledge that (a) any certification of the Settlement Class as set forth in this Agreement, including certification of the Settlement Class for settlement purposes in the context of Preliminary Approval, shall not be deemed a concession that certification of a litigation class is appropriate, or that the Settlement Class definition would be appropriate for a litigation class, nor would CAVU be precluded from challenging class certification in further proceedings in the Action or in any other action if the Settlement Agreement is not finalized or finally approved; (b) if the Settlement Agreement is not finally approved by the Court for any reason whatsoever, then any certification of the Settlement Class will be void, the Parties and the Action shall be restored to the status quo ante, and no doctrine of waiver, estoppel or preclusion will be asserted in any litigated certification proceedings in the Action or in any other action; and

(c) no agreements made by or entered into by CAVU in connection with the Settlement may be used by Plaintiff, any person in the Settlement Class, or any other person to establish any of the elements of class certification in any litigated certification proceedings, whether in the Action or any other judicial proceeding.

10.6 No person or entity shall have any claim against the Class Representative, Class Counsel, the Settlement Administrator or any other agent designated by Class Counsel, or the Released Parties and/or their counsel, arising from distributions made substantially in accordance with this Agreement. The Parties and their respective counsel, and all other Released Parties shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the determination, administration, calculation, or payment of any claim or nonperformance of the Settlement Administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

10.7 The Plaintiff, Settlement Class Members, and Class Counsel receiving funds pursuant to this Agreement shall be solely responsible for filing all information and other tax returns necessary or making any tax payments related to funds received pursuant to this Settlement Agreement. The Released Parties provide no legal advice and make no representations to the Plaintiff, Class Members, or Class Counsel regarding the legal or tax consequences of this agreement, including any benefit or monies paid and received. The Plaintiff, Class Members, and Class Counsel shall be solely responsible for any tax or legal consequences for any benefit or award paid and/or received pursuant to this Agreement.

10.8 All proceedings with respect to the administration, processing and determination of Claims and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court.

10.9 The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

10.10 The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

10.11 All of the Exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

10.12 This Agreement and its Exhibits and the Class Action Settlement Term Sheet, set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Settlement Agreement or its Exhibits or the Class Action Settlement Term Sheet other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

10.13 Except as otherwise provided herein, each Party shall bear its own costs.

10.14 Plaintiff represents and warrants that she has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that they are fully entitled to release the same.

10.15 Each counsel or other Person executing this Settlement Agreement, any of its Exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms.

10.16 This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

10.17 This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

10.18 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

10.19 This Settlement Agreement shall be governed by and construed in accordance with the substantive laws of the State of California without giving effect to its conflict of laws provisions.

10.20 This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arms' length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

10.21 Where this Agreement requires notice to the Parties, such notice shall be sent to the undersigned counsel: Philip L. Fraietta, Bursor & Fisher, P.A., 1330 Avenue of the Americas, 32nd Floor, New York, NY 10019 and Adam R. Fox, Squire Patton Boggs (US) LLP, 555 South Flower Street, Suite 3100, Los Angeles, California 90071.

BASIC INFORMATION

1. Why was this Notice issued?

QUESTIONS? CALL (800) 000-0000 TOLL FREE, OR VISIT WWW.CAVUSERVICECHARGESETTLEMENT.COM

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options, before the Court decides whether to give final approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

The Honorable Judge Lynn Weaver Boyle, of the Circuit Court of Cook County, Illinois, is overseeing this case. The case is called *Marcotte v. CAVU eCommerce (AMER) LLC*, Case No. 2025CH06466. The person who sued is called the Plaintiff. The Defendant is CAVU eCommerce (AMER) LLC.

2. What is a class action?

In a class action, one or more people called class representatives (in this case, Shayla Marcotte) sue on behalf of a group or a “class” of people who have similar claims. In a class action, the court resolves the issues for all class members, except for those who exclude themselves from the Class.

3. What is this lawsuit about?

This lawsuit claims that Defendant failed to properly disclose a mandatory “Service Charge” for online bookings on Airportparkingreservations.com and/or Airportparking.com, in alleged violation of California’s Honest Pricing Law, Cal. Civ. Code § 1700(a)(29)(A). The Defendant denies it violated any law. The Court has not determined who is right. Rather, the Parties have agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.

4. Why is there a Settlement?

The Court has not decided whether the Plaintiff or the Defendant should win this case. Instead, both sides agreed to a Settlement. That way, they avoid the uncertainties and expenses associated with ongoing litigation, and Class Members will get compensation sooner rather than, if at all, after the completion of a trial.

WHO’S INCLUDED IN THE SETTLEMENT?

5. How do I know if I am in the Settlement Class?

The Court decided that everyone who fits the following description is a member of the **Settlement Class**:

All California residents who made a reservation through airportparkingreservations.com or airportparking.com and paid a mandatory “Service Charge” at checkout from July 1, 2024 to March 10, 2025.

THE SETTLEMENT BENEFITS

6. What does the Settlement provide?

Monetary Relief. A Settlement Fund has been created totaling \$425,000.00. Class Member payments, and the cost to administer the Settlement, the cost to inform people about the Settlement, attorneys' fees (inclusive of litigation costs), and an award to the Class Representative will also come out of this fund (*see* Question 12).

Prospective Relief. Additionally, as part of the Settlement, Defendant has represented that it will clearly and conspicuously disclose Service Charges to the consumer with the advertised price presented to a consumer in the first instance, unless and until California's Honest Pricing Law, Cal. Civ. Code § 1770(a)(29)(A), is amended, repealed, or otherwise invalidated.

A detailed description of the settlement benefits can be found in the Settlement Agreement, a copy of which is accessible on the Settlement Website by clicking [here](#).
[insert hyperlink]

7. How much will my payment be?

To receive a *pro rata* share of the Settlement, which will be based on the total amount of processing fees you paid, you **must** submit a timely and complete Claim Form **no later than [claims deadline]**. You can file a claim by clicking [here](#). Your payment will be by PayPal, Venmo, Zelle, or check, at your election. Claim Forms must be submitted online by 11:59 p.m. CT on **[DATE]** or postmarked and mailed by **[DATE]**. You can contact Class Counsel at (646) 837-7150 to inquire as to the number of claims and/or requests for exclusion that have been received to date.

8. When will I get my payment?

The hearing to consider the fairness of the settlement is scheduled for **[Final Approval Hearing Date]**. If the Court approves the settlement, eligible Class Members whose claims were approved by the Settlement Administrator will receive their payment 28 days after **[the Claims Deadline]**. The payment will be made in the form of a check, unless you elect to receive payment by PayPal, Zelle, or Venmo, and all checks will expire and become void 180 days after they are issued.

HOW TO GET BENEFITS

9. How do I get a payment?

If you are a Class Member and you want to get a payment, you **must** complete and submit a Claim Form by **[Claims Deadline]**. Claim Forms can be found and submitted

by clicking [here \[hyperlink\]](#), or by printing and mailing a paper Claim Form, copies of which are available for download [here \[hyperlink\]](#).

We also encourage you to submit your claim on-line. Not only is it easier and more secure, but it is completely free and takes only minutes!

REMAINING IN THE SETTLEMENT

10. What am I giving up if I stay in the Class?

If the Settlement becomes final, you will give up your right to sue the Defendant and other Released Parties for the claims being resolved by this Settlement. The specific claims you are giving up against the Defendant are described in the Settlement Agreement. You will be “releasing” the Defendant and certain of its affiliates, employees and representatives as described in Section 1.30 of the Settlement Agreement. Unless you exclude yourself (*see* Question 13), you are “releasing” the claims, regardless of whether you claim your electronic payment or not. The Settlement Agreement is available through the “court documents” link on the website.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully. If you have any questions you can talk to the lawyers listed in Question 11 for free or you can, of course, talk to your own lawyer if you have questions about what this means.

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in the case?

The Court has appointed Philip L. Fraietta of Bursor & Fisher, P.A. to be the attorney representing the Settlement Class. He is called “Class Counsel.” He believes, after conducting an extensive investigation, that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You will not be charged for this lawyer. If you want to be represented by your own lawyer in this case, you may hire one at your expense.

12. How will the lawyers be paid?

The Defendant has agreed that Class Counsel’s attorneys’ fees and costs may be paid out of the Settlement Fund in an amount to be determined by the Court. The fee petition will seek no more than 35% of the Settlement Fund, inclusive of reimbursement of costs and expenses; the Court may award less than this amount. Under the Settlement Agreement, any amount awarded to Class Counsel will be paid out of the Settlement Fund.

Subject to approval by the Court, Defendant has agreed that the Class Representative may be paid a service award of \$5,000 from the Settlement Fund for her services in helping to bring and resolve this case.

EXCLUDING YOURSELF FROM THE SETTLEMENT

13. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must submit a request for exclusion by 11:59 p.m. CT on [objection/exclusion deadline]. Requests for exclusion may be submitted either on the Settlement Website (via the online form accessible [here](#) [insert hyperlink]) or by mailing or otherwise deliver a letter (or request for exclusion) stating that you want to be excluded from the *Marcotte v. CAVU eCommerce (AMER) LLC*, Case No. 2025CH06466 settlement. Your letter or request for exclusion must also include your name, your address, a statement that you made a reservation through [airportparkingreservations.com](#) or [airportparking.com](#) and paid a mandatory “Service Charge” at checkout from July 1, 2024 to March 10, 2025, your signature, the name and number of this case, a statement that you wish to be excluded, the grounds for exclusion, and the identification of any other exclusion requests you have made in the last five years. If you choose to submit a request for exclusion by mail, you must mail or deliver your exclusion request, postmarked no later than [objection/exclusion deadline], to the following address:

CAVU Service Charge Settlement
0000 Street
City, ST 00000

14. If I don't exclude myself, can I sue the Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue the Defendant for the claims being resolved by this Settlement.

15. If I exclude myself, can I get anything from this Settlement?

No. If you exclude yourself, you will not receive any payment from the Settlement Fund.

OBJECTING TO THE SETTLEMENT

16. How do I object to the Settlement?

If you are a Class Member, you can object to the Settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views. To object, you must file with the Court a letter or brief stating that you object to the Settlement in *Marcotte v. CAVU eCommerce (AMER) LLC*, Case

No. 2025CH06466 and identify all your reasons for your objections (including citations and supporting evidence) and attach any materials you rely on for your objections. Your letter or brief must also include your name, your address, the basis upon which you claim to be a Class Member, the name and contact information of any and all attorneys representing, advising, or in any way assisting you in connection with your objection, and your signature. If you, or an attorney assisting you with your objection, have ever objected to any class action settlement where you or the objecting attorney has asked for or received payment in exchange for dismissal of the objection (or any related appeal) without modification to the settlement, you must include a statement in your objection identifying each such case by full case caption. You must also mail or deliver a copy of your letter or brief to Class Counsel and Defendant’s Counsel listed below.

Class Counsel will file with the Court and post on this website its request for attorneys’ fees by [two weeks prior to objection deadline].

If you want to appear and speak at the Final Approval Hearing to object to the Settlement, with or without a lawyer (explained below in answer to Question Number 20), you must say so in your letter or brief. File the objection with the Court (or mail the objection to the Court) and mail a copy of the objection to Class Counsel and Defendants’ Counsel, at the addresses below, postmarked no later than [objection deadline].

Court	Class Counsel	Defendant’s Counsel
The Honorable Lynn Weaver Boyle Richard J. Daley Center 50 W. Washington Street Chicago, IL 60602	Philip L. Fraietta Bursor & Fisher P.A. 1330 Avenue of the Americas, 32nd Floor New York, NY 10019	Adam R. Fox Squire Patton Boggs (US) LLP, 555 South Flower Street, Suite 3100, Los Angeles, California 90071

17. What’s the difference between objecting and excluding myself from the Settlement?

Objecting simply means telling the Court that you don’t like something about the Settlement. You can object only if you stay in the Class. Excluding yourself from the Class is telling the Court that you don’t want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT’S FINAL APPROVAL HEARING

18. When and where will the Court decide whether to approve the Settlement?

QUESTIONS? CALL (800) 000-0000 TOLL FREE, OR VISIT WWW.CAVUSERVICECHARGESETTLEMENT.COM

The Court will hold the Final Approval Hearing at _____m. on [date] by Zoom videoconference [access instructions]. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for incentive awards to the Class Representatives. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the Settlement.

The hearing may be postponed to a different date or time without notice, so it is a good idea to check for updates by visiting the Settlement Website at www.cavuservicechargesettlement.com or calling (800) 000-0000. If, however, you timely objected to the Settlement and advised the Court that you intend to appear and speak at the Final Approval Hearing, you will receive notice of any change in the date of the Final Approval Hearing.

19. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. But, you are welcome to come at your own expense. If you send an objection or comment, you don't have to come to Court to talk about it. As long as you filed and mailed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

20. May I speak at the hearing?

Yes. You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must include in your letter or brief objecting to the settlement a statement saying that it is your "Notice of Intent to Appear in *Marcotte v. CAVU eCommerce (AMER) LLC*, Case No. 2025CH06466." It must include your name, address, telephone number and signature as well as the name and address of your lawyer, if one is appearing for you. Your objection and notice of intent to appear must be filed with the Court and postmarked no later than [objection deadline], and be sent to the addresses listed in Question 16.

FIRM RESUME

With offices in Florida, New York, and California, BURSOR & FISHER lawyers have represented both plaintiffs and defendants in state and federal courts throughout the country.

The lawyers at our firm have an active civil trial practice, having won multi-million-dollar verdicts or recoveries in six of six class action jury trials since 2008. Our most recent class action trial victory came in May 2019 in *Perez v. Rash Curtis & Associates*, in which Mr. Bursor served as lead trial counsel and won a \$267 million jury verdict against a debt collector found to have violated the Telephone Consumer Protection Act. During the pendency of the defendant's appeal, the case settled for \$75.6 million, the largest settlement in the history of the Telephone Consumer Protection Act.

In August 2013 in *Ayyad v. Sprint Spectrum L.P.*, in which Mr. Bursor served as lead trial counsel, we won a jury verdict defeating Sprint's \$1.06 billion counterclaim and securing the class's recovery of more than \$275 million in cash and debt relief.

In *Thomas v. Global Vision Products, Inc. (II)*, we obtained a \$50 million jury verdict in favor of a certified class of 150,000 purchasers of the Avacor Hair Regrowth System. The legal trade publication VerdictSearch reported that this was the second largest jury verdict in California in 2009, and the largest in any class action.

The lawyers at our firm have an active class action practice and have won numerous appointments as class counsel to represent millions of class members, including customers of Honda, Verizon Wireless, AT&T Wireless, Sprint, Haier America, and Michaels Stores as well as purchasers of Avacor™, Hydroxycut, and Sensa™ products. SCOTT A. BURSOR

Mr. Bursor has an active civil trial practice, having won multi-million verdicts or recoveries in six of six civil jury trials since 2008. Mr. Bursor's most recent victory came in May 2019 in *Perez v. Rash Curtis & Associates*, in which Mr. Bursor served as lead trial counsel and won a \$267 million jury verdict against a debt collector for violations of the Telephone Consumer Protection Act (TCPA).

In *Ayyad v. Sprint Spectrum L.P.* (2013), where Mr. Bursor served as lead trial counsel, the jury returned a verdict defeating Sprint's \$1.06 billion counterclaim and securing the class's recovery of more than \$275 million in cash and debt relief.

In *Thomas v. Global Vision Products, Inc.* (2009), the jury returned a \$50 million verdict in favor of the plaintiff and class represented by Mr. Bursor. The legal trade publication VerdictSearch reported that this was the second largest jury verdict in California in 2009.

Class actions are rarely tried to verdict. Other than Mr. Bursor and his partner Mr. Fisher, we know of no lawyer that has tried more than one class action to a jury. Mr. Bursor's perfect record of six wins in six class action jury trials, with recoveries ranging from \$21 million to \$299 million, is unmatched by any other lawyer. Each of these victories was hard-fought against top trial lawyers from the biggest law firms in the United States.

Mr. Bursor graduated from the University of Texas Law School in 1996. He served as Articles Editor of the Texas Law Review, and was a member of the Board of Advocates and Order of the Coif. Prior to starting his own practice, Mr. Bursor was a litigation associate at a large New York based law firm where he represented telecommunications, pharmaceutical, and technology companies in commercial litigation.

Mr. Bursor is a member of the state bars of New York, Florida, and California, as well as the bars of the United States Court of Appeals for the Second, Third, Fourth, Sixth, Ninth and Eleventh Circuits, and the bars of the United States District Courts for the Southern and Eastern Districts of New York, the Northern, Central, Southern and Eastern Districts of California, the Southern and Middle Districts of Florida, and the Eastern District of Michigan.

Representative Cases

Mr. Bursor was appointed lead or co-lead class counsel to the largest, 2nd largest, and 3rd largest classes ever certified. Mr. Bursor has represented classes including more than 160 million class members, roughly 1 of every 2 Americans. Listed below are recent cases that are representative of Mr. Bursor's practice:

Mr. Bursor negotiated and obtained court-approval for two landmark settlements in *Nguyen v. Verizon Wireless* and *Zill v. Sprint Spectrum* (the largest and 2nd largest classes ever certified). These settlements required Verizon and Sprint to open their wireless networks to

third-party devices and applications. These settlements are believed to be the most significant legal development affecting the telecommunications industry since 1968, when the FCC's Carterfone decision similarly opened up AT&T's wireline telephone network.

Mr. Bursor was the lead trial lawyer in *Ayyad v. Sprint Spectrum, L.P.* representing a class of approximately 2 million California consumers who were charged an early termination fee under a Sprint cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. After a five-week combined bench-and-jury trial, the jury returned a verdict in June 2008 and the Court issued a Statement of Decision in December 2008 awarding the plaintiffs \$299 million in cash and debt cancellation. Mr. Bursor served as lead trial counsel for this class again in 2013 during a month-long jury trial in which Sprint asserted a \$1.06 billion counterclaim against the class. Mr. Bursor secured a verdict awarding Sprint only \$18.4 million, the exact amount calculated by the class's damages expert. This award was less than 2% of the damages Sprint sought, less than 6% of the amount of the illegal termination fees Sprint charged to class members. In December 2016, after more than 13 years of litigation, the case was settled for \$304 million, including \$79 million in cash payments plus \$225 million in debt cancellation.

Mr. Bursor was the lead trial lawyer in *White v. Cellco Partnership d/b/a Verizon Wireless* representing a class of approximately 1.4 million California consumers who were charged an early termination fee under a Verizon cellphone contract, asserting claims that such fees were unlawful liquidated damages under the California Civil Code, as well as other statutory and common law claims. In July 2008, after Mr. Bursor presented plaintiffs' case-in-chief, rested, then cross-examined Verizon's principal trial witness, Verizon agreed to settle the case for a \$21 million cash payment and an injunction restricting Verizon's ability to impose early termination fees in future subscriber agreements.

Mr. Bursor was the lead trial lawyer in *Thomas v. Global Visions Products Inc.* Mr. Bursor represented a class of approximately 150,000 California consumers who had purchased the Avacor® hair regrowth system. In January 2008, after a four-week combined bench-and-jury trial, Mr. Bursor obtained a \$37 million verdict for the class, which the Court later increased to \$40 million.

Mr. Bursor was appointed class counsel and was elected chair of the Official Creditors' Committee in *In re Nutraquest Inc.*, a Chapter 11 bankruptcy case before Chief Judge Garrett E. Brown, Jr. (D.N.J.) involving 390 ephedra-related personal injury and/or wrongful death claims, two consumer class actions, four enforcement actions by governmental agencies, and multiple adversary proceedings related to the Chapter 11 case. Working closely with counsel for all parties and with two mediators, Judge Nicholas Politan (Ret.) and Judge Marina Corodemus (Ret.), the committee chaired by Mr. Bursor was able to settle or otherwise resolve every claim and reach a fully consensual Chapter 11 plan of reorganization, which Chief Judge Brown approved in late 2006. This settlement included a \$12.8 million recovery to a nationwide class of consumers who alleged they were defrauded in connection with the purchase of Xenadrine® dietary supplement products.

Mr. Bursor was the lead trial lawyer in *In re: Pacific Bell Late Fee Litigation*. After filing the first class action challenging Pac Bell's late fees in April 2010, winning a contested

motion to certify a statewide California class in January 2012, and defeating Pac Bell's motion for summary judgment in February 2013, Mr. Bursor obtained final approval of the \$38 million class settlement. The settlement, which Mr. Bursor negotiated the night before opening statements were scheduled to commence, included a \$20 million cash payment to provide refunds to California customers who paid late fees on their Pac Bell wireline telephone accounts, and an injunction that reduced other late fee charges by \$18.6 million.

L. TIMOTHY FISHER

L. Timothy Fisher has an active practice in consumer class actions and complex business litigation and has also successfully handled a large number of civil appeals.

Mr. Fisher has been actively involved in numerous cases that resulted in multi-million dollar recoveries for consumers and investors. Mr. Fisher has handled cases involving a wide range of issues including nutritional labeling, health care, telecommunications, corporate governance, unfair business practices and consumer fraud. With his partner Scott A. Bursor, Mr. Fisher has tried five class action jury trials, all of which produced successful results. In *Thomas v. Global Vision Products*, Mr. Fisher obtained a jury award of \$50,024,611 — the largest class action award in California in 2009 and the second-largest jury award of any kind. In 2019, Mr. Fisher served as trial counsel with Mr. Bursor in *Perez v. Rash Curtis & Associates*, where the jury returned a verdict for \$267 million in statutory damages under the Telephone Consumer Protection Act.

Mr. Fisher was admitted to the State Bar of California in 1997. He is also a member of the bars of the United States Court of Appeals for the Ninth Circuit, the United States District Courts for the Northern, Central, Southern and Eastern Districts of California, the Northern District of Illinois, the Eastern District of Michigan, and the Eastern District of Missouri. Mr. Fisher taught appellate advocacy at John F. Kennedy University School of Law in 2003 and 2004. In 2010, he contributed jury instructions, a verdict form and comments to the consumer protection chapter of Justice Elizabeth A. Baron's *California Civil Jury Instruction Companion Handbook* (West 2010). In January 2014, Chief Judge Claudia Wilken of the United States District Court for the Northern District of California appointed Mr. Fisher to a four-year term as a member of the Court's Standing Committee on Professional Conduct.

Mr. Fisher received his Juris Doctor from Boalt Hall at the University of California at Berkeley in 1997. While in law school, he was an active member of the Moot Court Board and participated in moot court competitions throughout the United States. In 1994, Mr. Fisher received an award for Best Oral Argument in the first-year moot court competition.

In 1992, Mr. Fisher graduated with highest honors from the University of California at Berkeley and received a degree in political science. Prior to graduation, he authored an honors thesis for Professor Bruce Cain entitled "The Role of Minorities on the Los Angeles City Council." He is also a member of Phi Beta Kappa.

Representative Cases

Thomas v. Global Vision Products, Inc. (Alameda County Superior Court). Mr. Fisher litigated claims against Global Vision Products, Inc. and other individuals in connection with the sale and marketing of a purported hair loss remedy known as Avacor. The case lasted more than seven years and involved two trials. The first trial resulted in a verdict for plaintiff and the class in the amount of \$40,000,000. The second trial resulted in a jury verdict of \$50,024,611, which led to a \$30 million settlement for the class.

In re Cellphone Termination Fee Cases - Handset Locking Actions (Alameda County Superior Court). Mr. Fisher actively worked on five coordinated cases challenging the secret locking of cell phone handsets by major wireless carriers to prevent consumers from activating them on competitive carriers' systems. Settlements have been approved in all five cases on terms that require the cell phone carriers to disclose their handset locks to consumers and to provide unlocking codes nationwide on reasonable terms and conditions. The settlements fundamentally changed the landscape for cell phone consumers regarding the locking and unlocking of cell phone handsets.

In re Cellphone Termination Fee Cases - Early Termination Fee Cases (Alameda County Superior Court and Federal Communications Commission). In separate cases that are a part of the same coordinated litigation as the Handset Locking Actions, Mr. Fisher actively worked on claims challenging the validity under California law of early termination fees imposed by national cell phone carriers. In one of those cases, against Verizon Wireless, a nationwide settlement was reached after three weeks of trial in the amount of \$21 million. In a second case, which was tried to verdict, the Court held after trial that the \$73 million of flat early termination fees that Sprint had collected from California consumers over an eight-year period were void and unenforceable.

Any members of the Settlement Class who elect to exclude themselves or “opt out” of the Settlement Agreement must submit a written opt-out request with the Settlement Administrator, received or postmarked no later than the November 7, 2025, Objection/Exclusion Deadline. The request for exclusion must comply with the exclusion procedures set forth in Section 4.5 of the Settlement Agreement and Notice. The “opt out” must be a written request for exclusion to the Settlement Administrator, and must include: (a) his/her full name, address, and current telephone number; (b) the case name and number of this Action; (c) a statement that he/she made a reservation through the Websites and paid a Service Charge at checkout; (d) all grounds for the request to be excluded, with factual and legal support for the stated request, including any supporting materials; (e) the identification of any other exclusion requests he/she has filed, or has had filed on his/her behalf, in any other class action cases in the last five years; and (f) the requestor’s signature. If represented by counsel, the Settlement Class Member requesting to be excluded must also provide the name and telephone number of his/her counsel.

18. Individuals who opt out of the Class relinquish all rights to benefits under the Settlement Agreement and will not release their claims. However, members of the Settlement Class who fail to submit a valid and timely request for exclusion shall be bound by all terms of

the Settlement Agreement and the Final Judgment, regardless of whether they have requested exclusion from the Settlement Agreement.

Appearances and Objections

19. At least twenty-one (21) calendar days before the Final Approval Hearing, any person who falls within the definition of the Settlement Class and who does not request exclusion from the Class may enter an appearance in the Action, at their own expense, individually or through counsel of their own choice. Any Settlement Class Member who does not enter an appearance will be represented by Class Counsel.

20. Any members of the Settlement Class who have not timely filed a request for exclusion may object to the fairness, reasonableness, or adequacy of the Settlement Agreement or to a Final Judgment being entered dismissing the Action with prejudice in accordance with the terms of the Settlement Agreement, or to the attorneys' fees and expense reimbursement sought by Class Counsel in the amounts specified in the Notice, or to the award to the Class Representative as set forth in the Notice and Settlement Agreement. At least fourteen (14) days prior to November 7, 2025, the Objection/Exclusion Deadline, Class Counsel will ensure that the Settlement Administrator posts the Fee Petition to the settlement website. Members of the Class may object on their own or may do so through separate counsel at their own expense.

21. To object, members of the Class must sign and file a written objection no later than on or before the Objection/Exclusion Deadline, November 7, 2025. To be valid, the objection must comply with the objection procedures set forth in Section 4.3 of the Settlement Agreement and Notice, and must present the objection in writing, personally signed by the objector, and include: (1) the objector's full name, address and current telephone number; (2) an explanation of the basis upon which the objector claims to be a Settlement Class Member; (3) all grounds for the objection, including all citations to legal authority and evidence supporting the

objection; (4) the name and contact information of any and all attorneys representing, advising, or in any way assisting the objector in connection with the preparation or submission of the objection or who may profit from the pursuit of the objection (the “Objecting Attorneys”); and (5) a statement indicating whether the objector intends to appear at the Final Approval Hearing (either personally or through counsel who files an appearance with the Court in accordance with the Local Rules).

22. Members of the Class who fail to file and serve timely written objections in compliance with the requirements of this paragraph and the Settlement Agreement shall be deemed to have waived any objections and shall be foreclosed from making any objections (whether by appeal or otherwise) to the Settlement Agreement or to any of the subjects listed in paragraph 5, above, *i.e.* (a) whether the proposed settlement of the Action on the terms and conditions provided for in the Settlement Agreement is fair, reasonable, and adequate and should be given final approval by the Court; (b) whether a judgment and order of dismissal with prejudice should be entered; (c) whether to approve the payment of attorneys’ fees and expenses to Class Counsel; and (d) whether to approve the payment of a service award to the Class Representative. If a Settlement Class Member or any of the Objecting Attorneys has objected to any class action settlement where the objector or the Objecting Attorneys asked for or received any payment in exchange for dismissal of the objection, or any related appeal, without any modification to the settlement, then the objection must include a statement identifying each such case by full case caption and amount of payment received.

23. To be valid, objections must be filed with the Court and sent to the following: Class Counsel Philip L. Fraietta of Bursor & Fisher, P.A., 1330 Avenue of the Americas, New York, NY 10019; and Defendant’s Counsel Adam R. Fox and Marisol C. Mork of Squire Patton Boogs (US) LLP, 555 South Flower Street, Suite 3100, Los Angeles, CA 90071. In addition,

any objections made by a Class member represented by counsel must be filed through the Court's electronic filing system.

Further Matters

24. All further proceedings in the Action are ordered stayed until Final Judgment, except for those matters necessary to obtain and/or effectuate final approval of the Settlement Agreement.

25. Members of the Settlement Class shall be bound by all determinations and judgments in the Action concerning the Action and/or Settlement Agreement, whether favorable or unfavorable.

26. The Court retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement Agreement. The Court may approve the Settlement, with such modifications as may be agreed to by the Parties, if appropriate, without further notice to the Class.

27. Any Settlement Class Member who does not timely and validly opt out of the Settlement: (a) shall be bound by the provisions of the Settlement Agreement and all proceedings, determinations, orders and judgments in the Action relating thereto, including, without limitation, the Judgment or Alternate Judgment, if applicable, and the Releases provided for therein, whether favorable or unfavorable to the Class; and (b) shall forever be barred and enjoined from directly or indirectly filing, commencing, instituting, prosecuting, maintaining, or intervening in any action, suit, cause of action, arbitration, claim, demand, or other proceeding in any jurisdiction, whether in Illinois or elsewhere, on their own behalf or in a representative capacity, that is based upon or arises out of any or all of the Released Claims against any of the Defendant and the other Released Parties, as more fully described in the Settlement Agreement.
